Living expenses

We allocate each member of the workgroup a daily support for living based on the monthly grant. The sum will be counted by dividing the individual residency's monthly grant by 30 (individual residency grant classification: Grant 1: beginning of career €2,400 /month, Grant 2: mid-career €2,800 /month, Grant 3: experienced artist €3,500 /month). Example: If the group residency is applied for 2 weeks and the member of the workgroup is in the beginning of career, the sum will be calculated accordingly: $€2,400 / 30 * 14 = €1,120$. If the applicant applies for support based on grant 2 or 3, you must provide justification for the experience on the breakdown of costs.

Person 1	14 days	$€2,400 / 30 * 14$	€1,120
Person 2	14 days	$€2,800 / 30 * 14$	€1,307
Person 3	14 days	$€3,500 / 30 * 14$	€1,633
